Andrew Donald Downing, Downing, Allison & Jorgenson, Phoenix, AZ, for Petitioner.

Austin Joel Egan, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On April 13, 2021, Jamie Handley filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”), a Table injury, resulting from a tetanus-diphtheria-acellular pertussis vaccine she received on June 30, 2020. Pet., ECF No. 1. On July 17, 2024, I issued a decision awarding compensation to Petitioner based on the parties’ stipulation. ECF No. 49.

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$34,322.22 (representing \$33,389.00 in fees plus \$933.22 in costs). Application for Attorneys' Fees and Costs filed Aug. 2, 2024, ECF No. 53. Furthermore, counsel for Petitioner represents that Petitioner incurred no personal out-of-pocket expenses. *Id.* at 14.

Respondent reacted to the motion on August 9, 2024, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Motion at 2-3, ECF No. 54. Petitioner has not filed a reply.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. The rates requested for work performed through the end of 2024 are reasonable and consistent with our prior determinations, and will therefore be adopted.

I also note this case required additional briefing regarding entitlement, specifically the issues of symptom location and a possible alternative cause. See Petitioner's Motion for a Decision on the Record, filed Feb. 21, 2023, ECF No. 35; Petitioner's Reply in Support of Motion for Decision on the Record, filed May 31, 2023, ECF No. 38. Petitioner's counsel expended approximately 9.1 hours drafting the brief and 6.9 hours drafting the reply brief, totaling 16.0 hours. ECF No. 53 at 20-21. I find this time to have been reasonably incurred. (And all time billed to the matter was also reasonably incurred.)

Furthermore, Petitioner has provided supporting documentation for all claimed costs, except some postage which I will nevertheless reimburse. ECF No. 47 at 24-34, 48-54. And Respondent offered no specific objection to the rates or amounts sought. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **I award a total of \$34,322.22 (representing \$33,389.00 in fees plus \$933.22 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Andrew D. Downing.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

³ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.

IT IS SO ORDERED.
